ical gamblers.
Mr. Orton concluded his capital address by greeting the old pioneurs, and by a play upon the names of several of them, best known in the State, cheiting hearty applause by his allusjons to Messis. Bled and Seymour, of this place.

MORES M. STRONG CALLED OUT. VOSTS M. STRONG CALLED OUT.

Loud calls brought up Mosts M. Strong, who said that he migrated from Verment for political reasons. His ently political movements were not appreciated, and he ich early in 18.46. He came to Wisconsin on purpose. He provided himself with a pair of double-burrelled pistels—this was before the time of revolvers—having heard hard stories of the people to whom he was going. He travelied on horseback as far as a camp on Sugar River. (Just here M. Bird handed the spenker a glass of water; it was rejected with the words, "Thank you, I don't use water much, which was meeted with a root of laughter.) greeted with a roar of laughter.)

figham. He went on among the miners, and figham. He went on among the miners, and found that their character had been much miserpote the state as its geologist—by that and their character had been much miserpote their and their character had been much miserpote the proposition of the two many had and may be scale that in the Spring of 37, Messes, and the lower trace of containing the home of my carry dark, and that their character had been much miserpote the been for them on a pure property would broke a little sign of the two misers and swelled very much, and, coming the property may be above to hereful and the property may be above to hereful and the summary of the state of the summary of the

In 1827, he started with 2 exteans, and in also, could have been of no assistance, so sudden up the gloom of his countenance, if he has the 1828 located at Blue Bounds. He was appoint a was the athur. I know of nothing more terrible power to throw it off, if he has the dan't dance, and for four years than after braving the dangers of the sea, to find. So Blackwell's Island and jolly, without being

Brigham soon after stated off for the gld's hone with the expectant groun to perform the cere-many, but his toppes were dashed by learning, 12 miles off, that the gld had backed out. Nothing danted, the Cok introduced him to a lot of other dansels, and they had a good froke, in consequence of which, the ceremony was performed in the Spring.

Resolutions were now adopted taking a copy of the address of Mr. Orton, and to appoint a committee to daft a Constitution.

Adjourned to 2) P. M.

On meeting again, Stt. Clark moved a resolution of thanks to the Assembly for the use of the life. When the same thing was accomplished by hundled and they had a good froke, in ton-equence of which, the ceremony was performed in the Spring.

Most of the city, a feat which was not performed when he same thing was accomplished by hundled by hundled to direct between Brooklyn and New York, but a few years since.

Most of the city, a feat which was not performed when he same thing was accomplished by hundled and new York, but a few years since.

Most of the city, a feat which was not performed when he same thing was accomplished by hundled as a large well east and played, and the venerable few years since.

Most of the city, a feat which was not performed and new York, but a few year, increased in full houses by novelites, all analys well east and played, and the venerable few years since.

Most of the city railroads are in working order and "Busses" have taken to wheels generally in Broadway, though the depth of sandy snows wears dreadfully on horse flesh. Some of the so justly celebrated.

Button has MeVickar as a star, who thaws well, he is the old Milwankee favolita, of course, and just from foreign parts. Miss Keene's mother thanks to the Assembly for the use of the direct when the same thing was accomplished by hundled and pour the direct when the same thing was accomplished by hundled and pour the direct when the same thing was accomplished by hundled and pour the direct when the same thing was accomplished by hundled and pour Broadway, though the depth of sandy snows

Button has McVickar as a star, who draws all accessible points in the country. Proceeds remitted a wears dreadfully on horse fiesh. Some of the well, he is the old Milwankee favorite, of counse, the lowest rates of Evchange.

Sleighs have furned out with teams of fourteen and just from foreign parts. Miss Keene's motor.

Drafts furnished on England, Ireland, Scotland, Germa ding plumas and a multitude of jingling bells, baccess purbaps. Her house is tolerably well making altogether a striking show, and attracting lattended, why not better I do not know; the auan unusual number of sixpences; such a cutter diences are as fashionable as those seen at places

would stow easily one hundred persons, as "all of immediate, the house is the prettiest in the THE CONSTITUTION.

John H. Rountree, from committee, reported the seca draft of a constitution. They reported the seca draft of a constitution. They reported the seca sleigh John, but "the more the merrier" by delicious, vivacity and deheave being beautifully a sleigh John, but "the more the merrice" by delicious, vivacity and delicacy being beautifully and Wednesday of February for the time of anand wedressay or restant to the street general consent is the prevaning sentiment.—
Indicating Col. Childs moved to have the moved to have the street great consent is the prevaning sentiment.—
Indicating held in the Summer, when people could come here in comfort, and not be croaded into come here in comfort, and not be croaded into the second with the street, appropriately quoted a passage from wanted to have it in the full, when the hirds were well as the street, appropriately quoted a passage from the immortal Bard, to show his pleasure and expected, is at the St. Denis' Hotel, and so little mention of her has been made that many have doubted altogether her being here, but she guard" to make a gangway for pedestrians across the least expected, is at the St. Denis' Hotel, and the immortal Bard, to show his pleasure and ex- have doubted altogether her being here, but she

claimed, "Now, by St. Pauls, the work goes is, and sails for Europe on Saturday, in the new bravely on." While on navigation I would mention that thorough soundings have established the fact all her fears for it, brought her to those frigid latthat the deepest part of the livers, surrounding studes, that she might depart for her own land us is between the Fulton Ferries, where the water speed by as possible. Thus passes away from our is 60 feet deep only, at the South Ferry it is only 10, other points between the two extremes

Mr. Banks success gives great pleasure to a et, wondrous to our eyes, vanishing strangely and vast many here, while some are loud in their too quickly, but never to be forgotten. When anathemas, it is strange there should be any dif- shall we see thy like again, Oh! Philre and Caference of opinion on the suit set at all, though I halle! then so lately known, so early lost, not till must confess I would much prefer to differ from on the "Loose" we meet at Paris, and the famed those unfriendly to "Banks" in the matter of city will offer one greater inducement for going the Speakership, and on many other important | there than we knew of one short year since. topics, than agree with them. The Republicans fired a salute in the Park of 100 guns in honor of the decision, a method of exhibiting joy, some-

breathing spot and place of delight for untold up its population from 11,653 to 552,169 as it is now, with all the increase of resources which such a development thousands, will contain 750 acres, embraced between 5th and 8th avenues, and 59th and 106th was unugerously, and process tween 5th and 8th avenues, and 59th and 106th wounded, by a pistol shot from his antagonist. streets The lowest point will be at least 5 miles The difficulty occurred at a spelling school, and from the City Hall, a great distance which will render it an unknown oasis to the majority, but there is no help for it, though 20 years ago and less the same space might have been had near the misdiction of the Court in the gubernatorial | Union Square for the same money. I hope the City of Milwankee will take warning and seize the golden boon while it may be had; the neglect of such opportunities proves a lasting regret to those foolish villages to cities grown, which have not availed of them.

The Tribune thinks the annual communication of Mayor Wood, first sent in, relates more to the dim fiture than the present, as it is a very far Any man who gets 500 roles, or no roles, and seeing document-perhaps it does. A perfect the certificate of the State Commerces, annet be police system in the first place is wanted, then in I act us Governo, even if somebody else has ruonster fortifications for defence on Long Island, and a complete docking of stone work around the city for the banefit of Commence. I only hope he may get it, but he ought to know that Gothare glories in the disgraces and abuses which surcounds here if she does not, why dont she haul in her sign? New York has talked, since I was You will receive with this the Annual Re- old enough to understand the conversation, of nothing else but stone docks, and yet seems perfectly contented to transact her countless millions of natice on rotten bulks and straps, miscalled piers, which would disgrace the Indian village Fond do Lac Superior, and while corrupt harbor masters are willing to accept bribes, Gotham princes give them exorbitant ones for the privil-The Report is very valuable as containing the ego of getting even a berlit along tide of one of

Apropos to Kansas, is is said that Rev. Dr. Bushnell intends going there from Hartford with a colony, and if he is as powereful on the frontlet us he is in the pulpit, he will prove a most voluable auxiliary to Freedom.

Some of the religious and secular papers are "raking down" Mr. Beecher for one of his spi- MCRR 95. tion with the Border warfare, that though he was promises, if elected, "to perform the duties of the other with impartiality and to the utmost of of Sharpe's Rifles at Lawrence; but the world is full of mousing owls, and though clothed in the feathers of infallibility, constantly knocking their stupid heads against wiser birds. Mr. B. is a most excellent subject for flaw-pickers; a man who thinks as truly and speaks as boldly as he does, could not help being a fine subject for such characters. One of his flaws floors them, and consequently they have no recollection of anything else.

One of those admirable institutions and substitutes for the bar-room-a reading-room for mechanics-has gone into favorable operation up town, and Henven speed the day when each city Senators Harley and O'Nett, Assemblyman block will contain its fellow. Cherry street bridge was not a public outsacee, having team erected order authority of tew by an act of the Legis-

to the Cherry Etreet Bridge.

MEtry may consider that the duty of a City Attorney is Many may consider that the duty of a City Atterney is to defend all rules brought against the city, whether the buryth is a the right or the wrong. Buch cannot be the buryth of the office, and the proper corns of a City desire, W. Atterney. He is the Counsel of the City, and if a subject of the City in which the City is in the wrong be brought, as in the case we report above, in which is Bennett, B. Bennett, D. manifest that the plaintiff is now, and has been for a long time deprived of his not only legal, but natural right—if would be the daty of the Chy Attorney, fulfilling his duty to the Common Council, to advise the City at once, that the Corporation was in the wrong, and not be the histral ment by which the means, the wealth, and the inflaence of a common council or which the means, the wealth, and the inflaence of a common council or better than the state of a contraction by such as well as the council or the c ment by which the means, the wealth, and the Inflaence of a corporation by used to withhold from one in citizens and insepayers his funt, legal and natural rights. The main of a corporation should be the right, not the desire to defeat, in a law-suit, her once citizens, upon some paltry quibble or rechnicality; the aim of a rightly disposed corporation, or corporation Attorney, chould be to protect and not oppress the citizens who has created it by his vot.

and appears to by the resemble to the corporation of the citizens and appears to the the resemble to the corporation of the citizens are considered. Burbank, G. Burbank, G. Burbank, G. Burbank, G. Burbank, G. U. Burk, M. Le ignorum of law, and individual, natural and legal right pertaining to themselves and their citizens, they seek, at the like election, the advice and good counsel of the City Attorney, as to much a the manufacture of the City Attorney, as to much a the manufacture of the City Process. Attorney, as to what is the relative rights of the parties, and we hope too what is the read justice of the case, than the parties any technicality, between the City and the Cit. laws; and he, whoever he may be, after being elected to the office of the Cuy Attornoyship falls to advice the Com-mon Council if the rights and justice of the parry seeking indominication for a damage from the Council, is but a and in the hands of a despatic corporation, used for op-pressing a cirizen and withholding from him what justice Cowless J. E. Cowless J. E. lemends should be awarded to him, REPORTER.

LEATURE To-Night .- It will be seen by notice is shother column that we are to have our regular Friday evening lecture not with standing the unfortunate fall. are of MrFaxk. Mr. Gotto makes no pretonsion to being famoy, but we think we can safely assure our readers that if they go to Young's Hall this evening, they will hear a more than ordinarily good leature very well delivered. Mr. Gorth is not unknown in Missackee and we are oute that every body who has ever heard him preach will

the glad to hear him lecture.

The fectore which he gives us this evening, Mr. Gound gave in Wankesha a few weeks since to the very great Daylon Dest, M. Daylon attalaction of a large and intelligent audience. Indeed. If we may trust the representations of those who heard the lectore there, it will be one of the very best of our course.

Dwilling Houses Wanted .- There is great need of an early and considerable additions to the num-our of dwelling houses in our city. Last fall not a house was to be had anywhere about the city, and it was difficult in find even a vacant room. With the opining of the policy will come an inflax of people from the Eastern fixtue, all antious to rettle down here, if they can find a place to live and do business in. There will probably be no lick of stores, as many new ones are going up as soon Dewin, T Deeley, E no lock of stores, as many new ones are going up as soon as the building season commences; but there will be a and of dwellings; and we hope that real estate owners, and capitalists in our city will take steps to meet this im-

THE LINCHERS OF DE BAR .- Private advices from Washington County informed us last might that arreasts were being made of the parties engaged in the lymphics of De Bar. The last Grand Jury found twenty-five indictionants for murder in the first degree, and kept the matter secret until the jall had been strengthened, &c. We learn that there is a determination on the part of the project of Washington Co. to punish the lynehers.

NEW DOCKS.-Extensive preparations are masing to add largely to our docking facilities by the opening of matigation, and the work has already commenced on the West side of the Milwaukee river in the Fifth Ward and along the Menomonee. We shall need these additional docks, as the coming assessed promises to be the bush-

Cottinion on the Railhoad.-The Passenger train voing West, on the Milwankos and Watertown R. R. and a freight train coming in, on the M. & N. R. R., came as collision, about 5 miles from town, yesterday morning. No person was injured, though several of the cars were

MASSACHUSETTS

MUTUAL LIFE INSURANCE CO. Capital, STATE OF WISCONSIN, } as.

STATE OF WISCONSIN, 14.

Satisfactory evidence beving been furnished to me was
the Missachusetts Mutual Life Inscreance Company, being
an Insurance Company, incorporated by the State of Massachusetts, is possessed of the Actual Capital required by
the seventh section of an act, entitled "an Act to provide
for the incorporation of Insurance Companies," approved
Permany 9th, 1250.

Now, Therefore, in pursuance of the Act afterends, I
John W. Hunt, Assistant Secretary of State, of the State
of Wisconsin, do heroby certify that Lucius Cummings, II
has he duly authorized by said Company, may take Risks,
Receive Frenciums, and transact the dusiness of an insurance Agent for said Company in this State, from this date
until the thirty-first day of Junuary next.
In witness whereof, I have hereunto set my hand, and
affined the Great Sent of the State, at the Capital in Misdicon, this 15th day of Argunst. 1554.

Onplial and accumulations of the chore named Insurance Company, \$200,000, all paid, and invested according to the Laws of Wisconsis, (as the above certificate
shows.) The necumulations are to be divided every
five years, as provided in the charter of the Company,
which is perpetual?

The Company lawing compiled with the Law of Wiscon-The years, as provided in the same with the Law of Wisconwhich is perpetual?

The Company having compiled with the Law of Wisconsin, and established a Branch Office at Chicago, Ili., (it beting practically a Home Office of the West) where they
write Policies, Fay Losses, and transact any business pertaining to the Home Office.

R. R. R. LIFE AND DEATH. Mysteries of Disease taid Open to the People.

Health is the Principle of Life.-Disease to the Principlet of Death. The R. R. R. Remedies possess the great power to secure to the human system health and long life, and free the luman family from pains, achos, and all bodily infirmities.

THE ART OF PRESERVING HEALTH AND THE METHOD OF CURING DISEASE HY THE R. R. R.'S. RADWAY'S READY MELIEF

The MEP UNE is in all cases where there is pain. If the accuract it is applied externally, or takes internally, it will alloy the most torturing aches, peaks, cramps, speams, burns, scattle, or any other anodyne or remedy that has over been used by mode all their internal continuous and the mode of the mode of the industry been used by mode all their internal continuous and the pain by another another in the pain is another the pain in the power of teeling, and that after the influence of these mars less have passed from the system-the pain again breaks, both with its terrible pumps, with nanowork of these mars. the system—the path again breaks and with its ferrille cause, with removed wheterer.
Radway's Rendy Rehef stops the pain and removes the rance of the disease that occasions it; it infrasa hers life that blavels and diseased parts. It have able meyes and disease.

As a counter irritant, Radway's itself removed the serves, where there is say inframential or congestion, it will instantly scatter the engasted blood, expending the three surface of the body, where there is say inframmation or congestion, it will instantly scatter the engasted blood, equalities the chromoton, and in a few infrarts the most serve us-father points are removed. This may be seen in cases of Landsay, these, and the most almost the most terrible forms, where an application of Radways Randy Relief with restore the patient see and conform.

rippled with Rheumatism, Arm and Leg parished—

TO THE MILLION ! READ AND JUDGEFOR YOURSELVE

Third All JOURE FOR YOURSELVE DATE THE MEASURE WOOD'S Hab Restorative is no death! the most wonderful discovery of this age corregrees, for it will restore, permanently, grey hair to fir original color, cover to head of the ball with a most insurtant growth, remove at once all dandraff and using, care all Scrofials and other cursuants conglorely, such this could head, the. It will cause as if by made, nervous or periadical head, the, after make the bair soft, glossy, and wavy, and preserve the color perfacily, and the lady from falling to extreme old age. We could give the testingen of more than one hundred thousand to the truth of every word we have written. See Greniar and the following:

Oursture, 18., June 29, 1956.

nave written. new orronar and the releaving?

Orange, He, June 29, 1825.

I have used Prof. Wood's Hair Restorative, and have admitted its wonderful effect. By hair was becoming, as I though remarkantly grey; but by the use of his Restorative it has reamend its original cotor, and I have modeled permissionally so.

SIDNEY BREESE, Ex-Senator United States. Exchange United States.

Visconnes, Ind., June 16, 1502.

Prof. 0. 3. Wood: Dear Sir—As you are about to monofeather extensively and vend your recently discovered that Hootmattee, I will state for whomsoever it may concern, that I have not several years been in the habit of using other hair restoratives, and that of the yours vasily superfor to any other I know. It entirely cleaness the hald from the high and without more monthly proper use will restore any person's hair to the original yeartimic color and cature, giving at a healthy, and and hope. I would therefore recommend the trees on which it dops. I would therefore recommend its use in every one desirons of having a fine color and texture of leafer.

Respectfully roms.

Jety 1, 1554. July 1, 1854.

\*\*CHARDER, Me., June SS, 1805.

Mr. Dyer: Dear Sir-1 have used two bottles of Frof.

Word's item Resoursive, and can truly say it is the greateat discovery of the age for resolving and charging the
habi-. Hefere using it, I was as grey as a man of seventy.

My hab has now attained its original color. You can recommend it to the world without he least fear, as my case

Sr. Lotts, June 28, 1858.

Frof. Wood:—As you are about to propose and vanilyour recently discovered Half Ecstorative, and as you request my opining of it. I will start that my half was, a few months ago, very grey; and after using two bottles of your Half Restorative, it assumed the original coller, and dance its application all dendriff has disappeared from my-head, and I have been troubled with no disappeared from my-head, and I have been troubled with no disappeared from my-head, and I have been troubled with no disappeared in the ling of the scale. I am satisfied those who use it will not represent, on the start of the scale in the start of the scale in the appearance of having been recommend its use to all who are distincts of having a beautiful head of hair.

and Kidneys, seemed Diseases, Strictures, Washiness, and all diseases of the sexual organs, whether in male or female, from whatever onuse they may have originated, and no matter of how long standing.

It you have commanded the terrible disease which, when one seated in the system, will surely go down from one generation to another, understaining the constitution and anylong the very-vital shids of life, do not trust yourself in the horizon of queeze, who start up overy day in a cily take this, and filt the papers with their giaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remody in these cases.

The Fluid Extract Buchu has been pronounced by emment physicians the greatest remarks yere known. It is methodore perfectly pleasant in its taste, and very innocessit in its action, and yet so thorough that it annihitate gvery particle of the rank and polyonous views of this decadual decades and milks other remoder, does not dry up the dileast in the blood. HELMBOLD'S HIGHLY CONCENTRATED ilisense in the blook.

Constructional dublity brought on by self-atune, a most territore distance, which has brought succession of the human, race to antinety graves, thus blaising the brilliant boyes of parents, and brighting in the bad the glorious ambieton of manny arbite yould, can be corred by this triallible remedy. And as a medicine which must benefit everybody. Grow the simply delirable to the confined and despatring invalid, an equal is to be found acting both, as a cure and placessing.

Helmbold's highly concentrated Component Firld Extr. Superpartila Composition Final Carr. Surpresponding from excess of decreasy, exposure and improduces to life, chouse constitutional disease, ariting from excess of decreasy, exposure and improduces to life, chouse constitutional disease, ariting from an impure state of the theory, and the long reliable and effectual known remedy for the cure of seconds, suit rheum, suad head, occurations of the threat and legs, palse and seelings of the bours, retter, pinples on the face, and all sealy graphing of the ariticle is not prescribed by some of the ariticle from the country, and has phared more efficient in practice than any preparation of Sausaparitia ver offered to the public.
